

From Deal Delays to Deal Flow | AutoTrainer

How AutoTrainer eliminated content bottlenecks and accelerated their GTM strategy

The Challenge

AutoTrainer's sales teams were drowning in content bottlenecks. Every dealership prospect demanded custom pitch decks. Each partner integration required bespoke co-branded materials. Their fastest-growing revenue stream was being choked by manual content creation.

The Dreamwriter Solution

AI-powered content automation that generates professional sales materials in minutes, not weeks. AutoTrainer eliminated manual bottlenecks and scaled their GTM efforts instantly.

Measurable Impact

- ✓ **75%** decrease in partnership launch time
- ✓ **3x** faster content creation
- ✓ **23%** increase in conversion rates
- ✓ **90%** reduction in follow-up time

"Dreamwriter is our secret weapon. It lets our GTM teams move fast without compromising on message or design. We used to spend days getting partnership decks ready — now it's minutes."

Ryan Magee, Head of Sales

How It Works

-  Generate custom pitch decks in minutes
-  Create co-branded partnership materials instantly
-  Maintain consistent messaging at scale

Perfect For

- Sales teams scaling personalized outreach
- Partnership managers launching faster
- Marketing teams maintaining brand consistency

Ready to Scale Your GTM Strategy?

Stop letting content creation slow down your deals. Transform how your team creates and scales sales materials like AutoTrainer did.
